

DEVAN RAJU

M.Sc. Computer Science | M.Tech. Computer Science | 23 Years of Experience

PROFESSIONAL SUMMARY

Technology professional, educator, and mobile application specialist with **23 years of experience** including **8 years in teaching** and **15 years in software development**. Strong combination of academic knowledge and hands-on industry experience in programming, software engineering, mobile application development, technical mentoring, and team leadership.

CORE TECHNICAL SKILLS

Programming Languages	C, C++, Java, Objective-C, Dart, Python
Web / Cross-Platform	React, React Native, Flutter
Mobile Development	iOS and Android — Native & Cross-Platform
Development Expertise	Native iOS/Android, React Native, Flutter, Application Architecture

PROFESSIONAL EXPERIENCE

Software Development — 15 Years

- Extensive experience in software development with a strong focus on **mobile application development**.
- Development experience across **iOS and Android** using native platforms and cross-platform technologies.
- Hands-on expertise in **Objective-C, Dart, React Native, and Flutter**, supported by broad programming knowledge.
- Ability to translate business and technical requirements into scalable, maintainable application solutions.

Teaching & Academic Experience — 8 Years

- Teaching experience in **C, C++, Java, Objective-C, Dart, React, and Python**.
- Strong focus on practical learning through programming exercises, demonstrations, and real-world application examples.
- Mentoring students in programming fundamentals, software development, and mobile application technologies.
- Ability to explain complex technical concepts in a simple, structured, and easy-to-understand manner.

LEADERSHIP & PROFESSIONAL STRENGTHS

- **Leadership:** Strong ability to lead teams, mentor individuals, coordinate technical activities, and drive initiatives toward defined goals.
- **Communication:** Excellent verbal and written communication with students, technical teams, stakeholders, and diverse audiences.
- **Collaboration & Mentoring:** Effective knowledge sharing, coaching, cross-functional collaboration, and relationship building.
- **Problem Solving:** Analytical and practical approach to technical challenges, with emphasis on reliable and maintainable solutions.

EDUCATION

M.Tech. in Computer Science | M.Sc. in Computer Science

CAREER HIGHLIGHTS

- **23 Years Total Experience** — 8 Years Teaching + 15 Years Software Industry
- **Mobile Expertise** — iOS, Android, Native Development, React Native, Flutter
- **Programming & Teaching** — C, C++, Java, Objective-C, Dart, React, Python
